Subcamp Program

Subcamp 3 is proud to offer geocaching (sponsored by DeLorme) as a Subcamp activity for the 2010 National Jamboree. Geocaching participants use a GPS device to locate

markers and/or a hidden cache from coordinates that are provided—similar to orienteering with a map and compass.

It takes approximately 30 minutes to complete Subcamp 3's geocache course.

It is recommended that no less than two scouts—preferably four scouts—work as a team.

To receive a GPS unit to use for this activity, an adult must exchange his or her driver's license at the program tent.

Other activity offerings from the program tent include volleyball, frisbee, Wiffle ball and football. Activities can be run any time the Program Staff is available.

Evening devotions

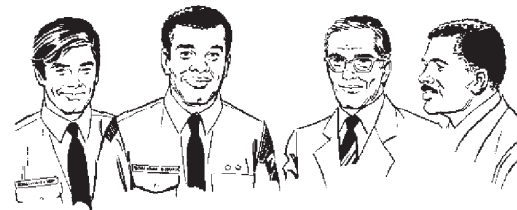

The chaplains will be leading devotions every evening at 7:15 for all who wish to attend.

Troop Chaplain Aides are invited to help lead the devotions too. See the chaplains in the small blue tent by the Subcamp entrance for more information.

Leaders Meeting

There will be a troop leaders meeting tonight at 7 PM in the Dining Tent.

A Maintenance Minute

Dan Wolboldt and the Maintenance Department ask for your help in an item of housekeeping. To keep things flowing properly, please insure that you flush each and every time you use our Low Flow toilets. Please remind your friends if they might have forgotten, and do your good turn daily by flushing where others may not have.

If there appears to be a problem that a good flush won't fix, please DON'T use the unit! Report any maintenance problem immediately to the Administration tent, or to the folks at the Maintenance tent.

The maintenance department is here to support you, but please remember that there is no maid service at the Jamboree... *Please clean up after yourself!*

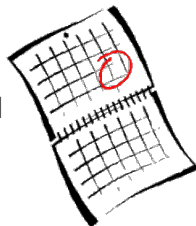

Chaplain's Corner

“As we begin this Jamboree, let us focus ourselves on our Creator. Be quiet, even if for only a minute, and listen to the sounds of His creations: the birds, the insects and even the Scouts! He has entrusted us to care for all his creations. Let us do our best for our Creator. ”

—Chaplain Jim

A Happy 50-something Birthday wish goes out to Gary Sawyer, working in Commissary.

Stuff You Gotta Know

If you have any special events, such as birthdays, anniversaries, or happenings during your time at the Jamboree, stop by the Communications tent (yellow & white stripes) and we'll include it in a future newsletter. (Note that we don't know about any cake requests you may have already submitted to National.)

Medical

The Subcamp 3 Medical Center is open twenty-four hours a day. However, we request that medical problems and injuries that are not urgent be evaluated during our sick call hours: one hour after breakfast and dinner every day.

The heat index color scheme:

- White 78° – 82° ½ qt water/hr
- Green 82° – 85° ½ – ¾ qt water/hr
- Yellow 85° – 88° ¾ – 1 qt water/hr
- Red 88° – 90° ¾ – 1 qt water/hr
- Black >90° 1+ qt water/hr

Lost And Found

Items found will remain in the Administration tent for 24 hours. After that, they make their way to Region HQ, and then National Lost and Found at Heth Camp.

Simple actions will keep you happy and healthy

1. Drink at least one liter of water or sports drink every day—more if you're doing a lot of exercise.
2. Wear clean socks every day. Let your shoes dry before you wear them again when they are wet. This is important in preventing blisters. Don't go for long walks in your flip flops and don't go bare foot.
3. Put on sunscreen every day when you get dressed.
